## 2.7 Student Satisfaction Survey

### 2.7.1 Student Satisfaction Survey (SSS) on overall institutional performance

**(Institution may design the questionnaire) (results and details be provided as weblink)**

Students satisfaction survey focus on the creation and sustenance of the right kind of Teaching – Learning environment by improving the quality of education. This survey has conducted every year in Navarasam Arts and Science College for Women to monitor and analysis the student's perception about Teaching- Learning, infrastructure and welfare activities. This Survey helps to upgrade the status of the college. We have prepared the questionnaire recommended by NAAC. A total of 553 responses were collected from UG and PG students through google form. Majority (79%) of the students were satisfied with the syllabus covered. Majority (60%) of the student population agreed that the teacher taking class with thoroughly preparation and the majority of students (72%) agreed that the teachers have effective communication skill. Majority (59%) of the students were satisfied with the Internal evaluation system. Majority (58%) of the students accepted the performance of assignment discussion in every time. Majority (58%) of the students were satisfied with the promoting internship, student's exchange

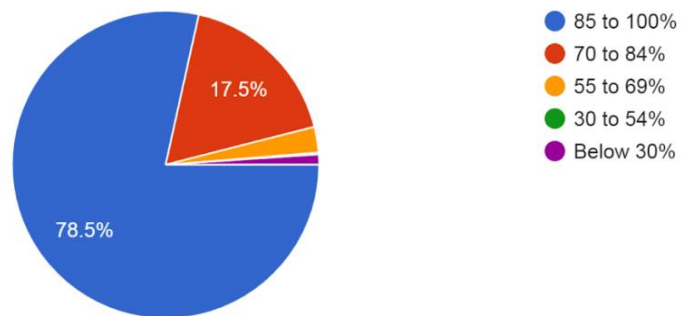

and field visit. Majority (50%) of the students were agreed the institution provides multiple opportunities to growth and learning of students. Majority (53%) of the students accepted that teachers satisfied with the competencies, course outcomes and programme outcomes. Majority (57%) of the students were satisfied with the explanations of the concepts through examples and applications. 65% of the students mentioned that the mentors identified their strengths to guide them towards reach their goal. Majority (60%) of the students agreed that teachers were able to identify their weakness and help them to overcome it. 44% of the students agreed the institution makes effort to engage the students in the monitoring, review and continuous quality improvement of the teaching learning process. Majority (59%) of the students were satisfied with the teachers motivation to participate in extracurricular activities. Majority (58%) of the students agreed with the efforts made by the institute/teachers to inculcate skill development and employability skills. Majority (39%) of the students were satisfied with the use of ICT tools such as LCD projector, Multimedia, etc., while teaching. Majority (51%) of the students mentioned that the overall quality of teaching learning process in the institution is very good.
